1. Solve the String Hackerrank challenges:
   a. https://www.hackerrank.com/domains/java?filters%5Bsubdomains%5D%5B%5D=java-strings&badge_type=java

Java Inheritance I

Easy, Max Score: 5, Success Rate: 98.33%

☆ Solved ✓

NOTE: For this exercise I suggest to solve the exercise in IntelliJ and then copy solution code into the Hackerrank platform to check it as their site isn't the most developer friendly environment.

My requirement for it, is to add a printscreen for each bullet with **Solved** status like below.

The printscreen may be added in your homework package.
